

9 May 1974

MEMORANDUM FOR: D/PRD

SUBJECT: PRD Post-Mortem Phase II, Work Program

1. I intend to incorporate the collector-analyst interchange project into the larger study [ ] and I am proposing on analyst training. The emphasis in the latter will be on the training of production community analysts in SIGINT, HUMINT, and PHOTINT, along with whatever other training all-source analysts require (area studies, writing, etc.).

STATINTL

2. [ ] and I are preparing to meet shortly with representatives from DIA, CIA, and INR training offices to get an idea of what the community is and is not doing in this matter. We shall present a formal proposal on this project after that meeting.
